

DRAFT-DRAFT-DRAFT

Working Group Meeting
March 19, 2009

AGENDA

This Working Groups meeting topic is to describe the status of each FireScape component and then to discuss how the work by the various groups fits together, where there are overlaps, where there are gaps and what could be done to reconcile differences.

Introduction

Goals

Status Reports

Science – Don Falk & Tom Swetnam, University of Arizona

Management & Compliance – Brooke Gebow, The Nature Conservancy, Bill Hart, US Forest Service
