

Catalina-Rincon FireScape Agenda

February 3, 2011

9:30 am to noon at The Nature Conservancy, 1510 E Fort Lowell, Tucson

Review revised PIL and assignments (Angie/Stan/Brooke)

- **Economics and soils**

Review/discuss draft scoping notice (attached) (everyone)

- One more time—discussion of NPS and other players' involvement

Refine proposed action (Stephanie and Chris)

- Rules for narrowing treatment acres in EUs (ie removing steep slopes from mastication acreage)
- Wilderness

GIS coordination (Brooke)

- Discuss GIS needs and options (using TEAMS as well as local staff)

Update on Integrated Landscape Assessment Project (Jennifer)

- Regional Forested has proposed that FireScape be included as one of their focus areas

Fuels analysis outreach (Cori and everyone)

- Discuss scheduling for a multi-jurisdictional area session with biology/environmental groups and interested folks: need Chris or Don F & students to drive models

Next meeting (Cori)

- **Do we need a March meeting?**
