

Agenda Catalina-Rincon FireScape Agenda

May 6, 2010

9:30 am at The Nature Conservancy (1510 E. Fort Lowell)

The fate of June 3rd meeting: Brooke is out of town and maybe others, do we want to cancel?

Fuels workshop update. Process, remaining steps, products (Don). Forest-wide rollout and updates. How results wrap into FireScape.

Outreach talking points. Brainstorming session (Steve/Cori).

Outreach next steps. Clean-up contact list, and brainstorm on who needs to be contacted early, who are we already talking to, who will be/is skeptical/onboard/on the fence/opposed? What do we want on our table for the Mt. Lemmon Block party, May 29th? (Steve and Cori)

Website directions. Averill Cate. What else do we want? Review of options.

Treating in Wilderness: (Brooke)

Buffelgrass workshop update: Buffelgrass Science Meeting at the Office of Arid Lands May 4th and 5th (Steve and Cori).

Other updates. CFLRP proposal (Randall).
