

**Agenda Catalina-Rincon FireScape**

**March 3, 2010**

**12:30 p.m. at The Nature Conservancy (1510 E. Fort Lowell)**

**Key Participant meeting time:** Do we want to change the day/time. Cori has everyone's best times.

**Desired conditions update:** How are lower-elevation descriptions coming along (Jennifer)?

**UA/NASA Space Grant:** short presentation about a possible partnership for graduate fellowship (Melanie Meyers).

**Fuels Assessment Update:** Results of Joe Scott visit and where we go from here (Don).

**Update on other landscapes and the Collaborative Forest Restoration Program proposal**  
(Brooke)

**Janel McCurdy and the Project Initiation Letter (Stan).**

**Website latest:** It's alive! Validate goals, bios still needed. (Steve and Cori).

**Outreach ahead:** Working group, public, permittee information sessions? **CHORE:** Fix contact list, live in real time, right here at the meeting (Steve). Session for participants of all the FireScape projects (Stan/Brooke)?

**Other items?**
