

**Catalina-Rincon FireScape
Steering Group Meeting Agenda
2/5/09**

Please bring your calendar, you will need to make some time commitments!

- Contact List – Identify: “unknowns”; Working Group members, Working sub-group members; Core Collaborators and Steering Group member responsibility
- Engagement Plan – review organization, timeline, actions needed especially website and web master and availability of graphics/brochure/display skills

- Action List – review and update
 - Update on earmarks from Federal Relations discussion with Tom
 - Determine mapping needs for each working group (Science, NEPA, etc.)
 - Confirm Working Group meeting place for 3rd Thursday of each month
 - By-way brochure status
